

First Conditional 1

Introduction

This worksheet practices the first conditional in statements and negations.

Before the Lesson

Print (A4 size) the two page worksheet as many times as you need for the amount of students you have.

In the Lesson

Provide each student with a copy of the two-page worksheet.

Before diving into the worksheet, review the structure of the first conditional and its applications. Next, have students complete Exercise 1 by filling in the blanks with the appropriate forms of the first conditional.

In Exercise 2, students will match sentence halves to create correct sentences. For Exercise 3, they will convert existing sentences into the first conditional form.

In Exercise 4, students should ideally partner up or engage as a whole class to ask and respond to the questions. After discussing all eight questions, challenge each student to formulate their own question.
